## HEALTH & SAFETY

The health and safety of the children in our care is a priority. **As licensed child care providers, Youth Programs employees are also Mandated Reporters for any suspected signs of abuse and/or neglect.**

### ILLNESS

A health check will be performed as children arrive to the program.

On days where your child is not feeling well, we ask you to keep him/her at home to ensure that the illness does not spread. Please notify your Center Supervisor via email or site cell phone. If your child becomes ill at the center, we will contact you and you must come pick them up. In the event of any serious accident or illness, an ambulance may be called.

Your child must be fever free for 24 hours without the aid of medication in order to return to the program.

### COMMUNICABLE DISEASES/COVID-19

If a child is absent because of a communicable disease, they are not allowed to return to the program without a note from a physician stating that the child's condition is no longer contagious. You are required to inform your Center Supervisor within 24 hours or the next business day after your child or a member of your immediate household develops a communicable disease as defined by the State Board of Health (See Reporting below). A list of most common communicable diseases can be downloaded from:

[https://www.vdh.virginia.gov/content/uploads/sites/13/2016/03/Communicable\\_Disease\\_Chart.pdf](https://www.vdh.virginia.gov/content/uploads/sites/13/2016/03/Communicable_Disease_Chart.pdf)

If a child or employee tests positive for Covid-19, they must isolate for 5 days. If symptoms improve and the child/employee has been fever free for 24 hours (without the use of fever-reducing medication), they can return to the program. They MUST wear a mask for the remainder of the 10 days. If symptoms don't improve after 5 days, the child/employee should stay isolated for the 10 days.

If there is a reported case of COVID-19 or another communicable disease the center staff will do a deep cleaning and sanitation of tables, chairs, toys, and other surfaces at the center.

### REPORTING

We will keep you informed of any reported cases of COVID-19 or other communicable diseases affecting children at our program and we ask that you do the same. Parents will be notified via eblast and a posted letter at the site.

Please report all cases to [YPHealth@nnva.gov](mailto:YPHealth@nnva.gov). Please include the following information in the e-mail:

- Child's name
- Center they attend
- Last day they attended
- Doctor's note with the illness and return date

## MEDICATION

All of our full-time staff receive Medication Administration Training. If your child requires medication, there are certain requirements that must be adhered to in order to ensure that medication is administered safely.

1. **Complete Medication Administration Form (MAT):** Written permission must be provided to ensure we administer medication in a safe and healthy manner in accordance with licensing standards. Medication cannot be accepted or administered without current and correct MAT forms. ***Each child and medication must be on a separate form.***
  - Short-Term Medication (to be administered for 10 days or less) requires written permission from the parent (\*except Nebulizer or Epi-Pen).
  - Long-Term Medication (to be administered/or for as needed medication kept on site) requires written permission from a parent and a physician. ***(Must be updated every 12 months).***

*\*Nebulizer and Epinephrine auto-injector medications must always have written permission from both the parent and physician.*
2. All medications (including over-the-counter) MUST be in the original container with all written instructions included.

Any medication left at a site will be disposed of after 14 days or the medication expires, whichever comes first.

## MEALS

Proper nutrition is very important for active and healthy children. Youth Programs works with a partner agency to serve meals/snacks that follow USDA requirements during our program.

During the school year:

- A nutritious afternoon supper will be provided at the after school programs and at full day consolidations
- Parents should provide a morning snack and water bottle
- Parents will need to provide a lunch on full day consolidations

During the summer:

- A nutritious lunch and afternoon snack will be provided.
- Parents should provide a morning snack and water bottle
- Parents will need to provide a lunch on full day consolidations

*In the event that the partner agency is unable to provide this free service, you may be required to bring a lunch or snack for your child.*

For safety reasons, **our staff are not allowed to heat up or refrigerate food for participants.** We cannot ensure that meals brought from home are heated thoroughly; and therefore cannot ensure safe food handling protocol. If your child requires food at a certain temperature, you must send them in a thermos or similar container.

Youth Programs is a “nut sensitive” program. Please limit any products containing nuts or nut ingredients to help decrease the risk of a severe allergic reaction amongst our participants and staff.

Hands are washed before and after meal time. All surfaces of tables and chairs are cleaned and sanitized before and after meal time. If your child has a food allergy, precautions are taken to minimize the risk of exposure/ingestion.

## ALLERGIES

If your child has a diagnosed food allergy, an allergy care plan signed by your child’s physician is required. You will also need to identify any diagnosed food allergy, sensitivity or dietary restrictions on the registration form. ***If a food allergy is listed on the child’s medical forms, we must have a Food Allergy & Anaphylaxis Emergency Care Plan form detailing the steps to follow in case of exposure or ingestion.*** The F.A.R.E. form can be downloaded from our website. <https://nnparksandrec.org/youth-programs-2/> If emergency medication is required, see the medication policies section of the handbook.

There will be a designated allergy free area/table during meal times, and surfaces will be cleaned and sanitized before and after eating.

If your child has seasonal allergies and requires medication to be administered during our programs hours, see the medication policies section of the handbook.

## ASTHMA

If your child is diagnosed with asthma, we require a Virginia Asthma Action Plan to be on file. This form requires a physician’s signature and can be obtained from your child’s physician. If your child’s plan includes the administration of medication, see the medication policies section of the handbook.

## SUNSCREEN/INSECT REPELLENT

Youth Programs will administer sunscreen and insect repellent if the following are met:

- Parent/Guardian provides sunscreen and/or repellent labeled with the child's first and last name. The product must be in the original container and not expired.
- Parent/Guardian signs "Authorization to Apply Sunscreen & Insect Repellent" in the Parent Agreement at time of registration.
- Parent notifies the center if the child has ever had an adverse reaction from either medication.

Parents should note the following:

- Licensing requires that staff members apply sunscreen and insect repellent for children under age nine (above criteria must be met).
- Children over nine may apply their own sunscreen and repellent as long as they are supervised.
- Youth Programs recommends that parents apply sunscreen and repellent prior to bringing children to the program, especially before events or activities that will be held outside.

## DRESS CODE

As a recreation based program, we are very active and do not like to see kids excluded or hurt during activities. Please ensure your child(ren) come prepared in non-skid, athletic shoes and active clothing. For safety reasons, children are required to wear skid proof shoes. The toe and back must be enclosed. Flip flops/crocs/water shoes may be worn during water play only, however your child will need an appropriate change of shoes/clothes for before and after water play.

As the weather changes, please be sure to provide appropriate outdoor clothing as we like to explore and play outside. Weather permitting, we schedule outside play every day. We will ensure that your child wears what you have provided for them.

## **PROGRAM OPERATIONS**

*\*Additional days may be added around holidays if City Council approves them. Youth Programs will notify parents as soon as we are aware of the additional dates/changes.*

## SCHOOL CLOSED & HOLIDAY CONSOLIDATIONS

Consolidated care will be provided at the Brittingham-Midtown Community Center and the Denbigh Community Center for school closings and holidays with the exception of the “City Closings” listed. Parents will receive information about consolidations and deadlines via several methods. An e-mail will be sent out using the e-mail listed for the Primary Account Holder, signs will be posted at the centers, and center staff will share the information at least once when participants are dropped-off or picked-up.

- Single day consolidations are included in the weekly fee; however, participants must register for the dates in their account by the deadline. ALL Full-Day early childhood participants must be registered for the consolidation dates in order to ensure adequate staffing and programming supplies.
- Holiday programs for Winter Break, Spring Break, and the last two weeks of summer camp are paid consolidations. There is a daily rate for the consolidations, and parents will need to register their child(ren) for the dates needed by the deadline.
- After the registration deadline, requests will be considered on a case-by-case basis provided there is space available. Please call the Administrative office at 757-926-1400 to check availability.
- No registrations will be accepted the day of the consolidation.
- Participants must bring a lunch for consolidation dates. An AM Snack and refillable water bottle are also suggested.
- All school closing dates can be found on the NNPS school year calendar.

## INCLEMENT WEATHER SCHEDULE

- **School Delay:** If school is delayed due to inclement weather, our programs will adhere to the same delay.
- **School Closed Early:** If school is closed early due to inclement weather, our staff will be there for the early dismissal, and our programs will close at 5:00 PM.
- **City Closes Early:** If the City closes early (before 5:00 PM) due to inclement weather, our programs will close at the earlier time. Parents/guardians will receive a call from staff stating that the program is closed and participants need to be picked up as soon as possible.
- **School Closed:** If school is closed due to inclement weather, Youth Programs will offer care at the Brittingham-Midtown Community Center from 8:00 AM-5:30 PM. Participants must bring their own lunch and snacks.
- **City Closed:** If the city is closed, Youth Programs will be closed as well and no care will be provided.

## TRANSPORTATION

Parents are responsible for arranging transportation with NNPS. Please refer to the NNPS Childcare Transportation Request Website for the most up to date information. <http://sbo.nn.k12.va.us/bus-stops/>. Childcare Transportation requests MUST be resubmitted EVERY school year by the deadline. Once approved by the NNPS Transportation Department, the parents are responsible for notifying the school office and teacher in writing of transportation arrangement.

**Yellow Cards:** Parents must provide a yellow card for any Pre-K and Kindergartener to the Youth Programs staff at the after school program prior to the child(ren) attending. Staff will not be able to receive the participant off of the bus without the yellow card.

**Hines Middle School students** attending the Brittingham-Midtown Community Center Program will walk to and from the program accompanied by a staff.

## ABSENCES

Payment for the upcoming week is our indication that your child will attend. No credits will be issued for children who have paid but do not attend. Please make note that refunds will NOT be given for suspensions resulting from misbehavior within Youth Programs.

If your child will not be participating in the program on a certain day, please be sure to notify your Center Supervisor in person, via email or by leaving a voicemail on the center cell phone. When our staff must search for children who were supposed to be in attendance, it takes them away from the interaction they should be having with the children at the program.

## PICK UP

Children will be released to the Parent/Guardian or Authorized Pick-ups listed on the child's registration form. Individuals on the "authorized to pick up" list must be at least 18 years old. A photo ID will be required for verification against the registration form. Children will not be released without a proper ID. *As staff become familiar with parents, they may not check IDs as often; however, photo IDs should always be available in the event that the program is being covered by staff who are not usually there. Parents may provide us with a copy of their picture ID if they would like that information on site.*

Staff must have written notification with explicit instructions if someone other than those listed on the registration form are picking up. The written permission must include the date, the full name of the child(ren) being picked up, the full name of the person picking up, and the parent/guardian's signature.

In the event of an emergency, only the Primary Account Holder can verbally approve a person not listed on the registration form. Written and verbal approval is only valid for the date it is provided; additional permission will be required for additional dates unless the individual is added to the authorized pick-up list on the registration.

**Changes to Pick-Up Information:** Only Primary Account Holders can make changes to the Authorized Pick-Up List (adding or removing individuals). These changes may be submitted to the Administrative Office by calling 757-926-1400 or by e-mail through the Parent Portal. Parents are responsible for alerting Center Supervisors of any changes to their registration forms.

**Unauthorized Pick-Up:** Children will not be released to individuals not listed on the registration form. Staff will notify the Primary Account Holder if an 'unauthorized person' tries to pick up their child.

**Custodial Restrictions:** We will enforce the 'unauthorized persons' list on a non-custodial parent; however, in order to call authorities, a copy of the court order must be kept on file. Staff will notify the Primary Account Holder if an 'unauthorized person' tries to pick up their child. Please note: If a non-custodial parent is not listed on the registration or is listed as an unauthorized pick-up, but they are able to bring proof that they are a child's parent (i.e. child's birth certificate and their photo ID), we cannot refuse to release the child(ren) without a copy of the court order on file.

**Late Pick-Up:** Our programs close promptly at 6:30pm (Exception: inclement weather). If you are unable to pick up your child by the scheduled closing time, please make alternate arrangements and call the center to inform staff of who will be picking up your child. Please Note: Three (3) occurrences of being late without prior communication, will require administrative review and is grounds for removal from the program.

A late pick-up fee will be charged for any child(ren) picked up after the scheduled closing time. Please Note: If the parent or emergency contact cannot be reached and the center has not heard from you by 6:30 P.M., Child Protective Services will be called.

## GENERAL INFORMATION

### COMMUNICATION

Youth Programs uses a variety of communication methods to pass on information to families in addition to daily face-to-face encounters with staff.

- Fliers and reminders are posted near the sign-in/out area.
- Fliers are posted on our website at <https://nnparksandrec.org/youth-programs-2/> and on our social media accounts (Facebook, Instagram). QR codes are available at the centers for easy access.
- Parent bulletin boards are located in each center to provide current information about the program, safety, and child advocacy issues. Please review the parent board regularly for important and interesting announcements.
- Parents will receive email communication from [nnprt@ezchildtrack.com](mailto:nnprt@ezchildtrack.com) regarding important program information. Please make sure that the e-mail on your account is current and accurate. Also, check to make sure that Youth Programs e-mails are not being sent to SPAM.
- If you have any questions or concerns, please direct them to the administrative office at 757-926-1400 or send a message through your parent portal account "Contact Us" button. DO NOT attach comments/concerns to your weekly payment.
- Please notify the administrative office to update any information on the child's registration forms, and be sure to notify the center staff that information had been updated so they can print the most current information for their records.

### MEETINGS AND DISCUSSIONS

Communication is an ongoing process in the care of your child. Constant communication can keep misunderstandings from arising. Feel free to speak with your Center Supervisor if you have any concerns or to discuss specific behavior issues that may arise from divorce, death of a loved one, general changes in the household, etc. In order to provide you with the focus and attention needed for the conversation, an appointment may be required so that staff can ensure the program is staffed adequately to maintain our required ratios while they are meeting with you.

### PARTICIPANT BELONGINGS

Each child is assigned a tub-trug or cubby for storing their personal belongings. Please be sure your child's belongings are clearly marked with their first and last name. Newport News Parks and Recreation does not accept responsibility for lost or misplaced items, including but not limited to toys, clothing, tennis shoes, etc.

Youth Programs discourages children from bringing their toys from home to our centers. Items are brought at the participant's own risk. Youth Programs is **NOT** responsible for these items if they get lost, broken, or stolen. If you have a suggestion for a type of toy or activity that you would like to see us offer, please communicate with your center supervisor.

# RULES OF CONDUCT & DISCIPLINE

## RULES OF CONDUCT

In light of our goal of having a safe out-of-school time community, Youth Programs does not permit offensive conduct, threatening behavior, fighting, the possession of weapons (including toy items), or any other actions deemed inappropriate by administration. Each disciplinary action will be determined case-by-case based on the severity of the offense.

First incident, the child will be suspended for a minimum of one day. Second incident, the child will be suspended for a minimum of three days. Third incident, the child will be suspended for five days. The child may be dismissed from the program after the five-day suspension. Depending on the severity of the offense, the administration reserves the right to suspend or dismiss the child at any point.

Our program supports the Code of Conduct Rights and Responsibilities Handbook for Newport News Public Schools. As such, if your child has been suspended from Newport News Public Schools, they will not be allowed to attend Youth Programs until such suspension is lifted. If a child is removed or expelled from an NNPS location, they will not be allowed to attend Youth Programs at said location.

If your child's behavior is influenced by a disability, we may be able to work within those parameters. We take this into account when structuring our discipline policy. In the event a participant becomes physically aggressive towards themselves or others, staff may physically redirect them for safety reasons. If this happens, parents will be notified and required to pick-up immediately.

## DISCIPLINE

Youth Programs has a hands-off policy (unless child/staffs safety is at risk). Youth Programs uses a positive approach to discipline in an attempt to redirect behavior; however, physically acting out and destruction of property are not permitted at any time.

- Participants: Our goal is to help children succeed and learn to make appropriate choices for their overall social and emotional well-being while maintaining a safe environment. Our program uses an approach of teaching children problem-solving techniques.
- Warnings & Redirection: Staff will give participants warnings and redirect participants to other activities to remove them from triggers and aggressive situations. This may include loss of privileges at the center.
- Parent Communication: Staff will communicate with parents about behaviors. The goal is to create a partnership with parents to identify patterns or triggers, to create structure and consistency, and to develop a cooperative, unified strategy to help with the child's development and ultimate success. Parents will be provided a disciplinary log for minor incidents.
- Written Documentation: Repeated behavior issues or actions that endanger the child or another child in the program will result in written documentation which could also include suspension.
- Suspension & Removal: Violent or repetitive behaviors that affect the safety and quality of care for other participants in the program will result in suspension. Parents/guardians must meet with the Inclusion Team and Center Supervisors before the child(ren) can return to the program.

Staff will reach out to parents/guardians to let them know of any serious behavior issues or concerns before pick up. They will discuss any behavior concerns or documentation when the parent/guardian arrives to pick up their child(ren). For the safety and privacy of all participants and families, staff will only discuss the information that pertains to your child(ren). The names, information, and communication regarding any other participants and their families will not be shared.

## INCLUSION/BEHAVIOR

### STATEMENT ON INCLUSION

The City of Newport News Parks and Recreation encourages everyone to participate and enjoy all programs and facilities. We feel it is imperative to ensure that the City's organizational values of commitment, caring, and collaboration are evident at all times. This is especially true as we provide inclusive leisure activities to our citizens. We are committed to providing accessible programs and facilities because we care about improving the quality of life of our citizens.

We encourage participants with disabilities to register for any recreation program currently offered. We will make reasonable accommodations, in accordance with the Americans with Disabilities Act, to enable participants with disabilities to participate in and enjoy recreation programs. Failure to provide information prior to registration may result in an interruption in services if accommodations are needed.

For more information or to answer any questions that you may have, please feel free to call us anytime.

### OUR PROGRAM

Inclusion offers the opportunity to participate in our programs and facilities in an inclusive environment. This means, there will be no separation of services, as we will strive to make accommodations that allow for optimum success in our programs and facilities. We will make every reasonable effort to assist individuals who have barriers (i.e. physical disabilities, behavioral/mental health issues, and cognitive deficits) to empower and foster optimum participation.

While we offer reasonable accommodations to support an individual's success, we may not be an appropriate program for all. There are a few things that must be noted. Upon registration or through a prescreening process, it will be asked whether an individual has the ability to do the following:

- Ambulate independently (without the need of another individual)
- Independent toileting
- Possess communication skills
- Independent feeding

If you are interested in these services:

- A prescreening will take place via the phone or in person
- If the child qualifies for care based upon the prescreening, the parent and child will be asked to attend an assessment to define the child's needs or level of functioning.

***For any questions pertaining to the information provided, please contact (757)926-1400.***

## SUMMER

The YP Summer Jams summer camp will offer a variety of recreational activities and field trips throughout the summer. Each week will have a different theme focus.

- Send an AM snack and a refillable water bottle with your child daily.
- Send a lunch if your child will not eat the lunch provided. Menus are posted on the parent board.
- If your child will attend Summer School or SPARK, you are responsible for arranging transportation.
- There is no alternate care on fieldtrip days. Summer School/SPARK participants must attend fieldtrip or arrange alternate care.

## OUTSIDE

Our staff will provide as much outside time as possible during the summer. However, the safety of our participants is paramount. The following considerations are made:

- Outside play time is scheduled earlier in the day to avoid the extreme heat.
- Shaded areas are provided.
- Frequent water breaks are provided to keep participants hydrated.
- Daily health observations are continuously made while outside.
- Heat and pollen advisories are considered daily before taking participants outside.
- Outside time later in the day will be contingent on temperatures and any advisories. Activities will often involve less exertion such as nature walks. Participants will bring their water bottles outside with them.

*Please see the section on sunscreen and bug repellent and dress code. Many centers have water day on Fridays.*

## FIELD TRIPS

Each participant will be issued a summer field trip T-shirt. Participants **MUST** wear their field trip shirt on all field trips. Participants without field trip shirts **will not** be allowed to stay at the program while a parent goes to get the shirt. *New shirts can be purchased, if available, at the Administration Office, 700 Town Center Drive, Suite 320 between the hours of 8:30AM – 4:30PM (sizes are limited).*

Participants must arrive at the centers on time for field trips in order to attend to ensure proper check in, group assignment, and bathroom break prior to departure.

- If the program is boarding the buses when you arrive, the participant **will not** be allowed to sign-in and attend the field trip. They can be signed in to the camp once the group returns from the field trip.
- **Participants MAY NOT be dropped off at the field trip location.** A parent or guardian can bring them to the field trip and stay with them then bring the child back to the center afterward. Staff will not accept your child(ren) at the field trip location. If a child is dropped off without speaking with the staff, this could affect their ability to attend in the future and could result in a report for child endangerment and abandonment.
- Participants **can** be signed-out at a field trip if necessary. Please notify the center supervisor so they can be prepared for your arrival. The center supervisor will have the program cell phone.
- Parents may attend field trips, but they must drive themselves. They must stay with their child's group at the field trip unless they sign the child out. They may not ride with any children other than their own.

Participants who repeatedly display disruptive behaviors that could risk the safety of themselves or others may be excluded from a field trip.

Make note of any deadlines for field trip payments or waivers. Failure to meet a deadline could affect a child's ability to participate in the activities.

## AGREEMENTS MADE VIA REGISTRATION

*The following agreements are acknowledged during the registration process. It is the responsibility of each parent/guardian to read and become familiar with these agreements as well as the program policies and procedures as stated in the parent handbook. If you have any questions regarding the program or policies, ask your Center Supervisor or contact the administrative office.*

1. My child must be signed in and out daily by authorized guardians.
2. Children will not be released to anyone except parents or guardians without specific written permission. A picture ID is required. Please make sure to have it when signing out your child. We will try to enforce the 'unauthorized persons' list, however, to call the authorities we will need the court order on file.
3. Payment is due in advance for each week, regardless of attendance. There will be NO adjustments, credits or refunds due to non-attendance. (Exceptions: A credit may be issued when no services are rendered due to injury, illness, family emergency, or inclement weather.) All refund communication must go through the parent portal, [YPHealth@nnva.gov](mailto:YPHealth@nnva.gov), or by contacting our administrative offices at 757-926-1400. Refund requests must be accompanied by written documentation.
4. If paying by check or money order at a drop box location, the payment deadline is Saturday by 6:00 P.M. If paying online using your checking account, Visa or MasterCard, the payment deadline is Sunday by 11:59 P.M. Any payments received on Monday will be considered late and your account will be assessed a late payment fee of \$25. Each week that a balance is due, your account will be charged an additional late fee of \$25.
5. Our program locations close promptly at 6:30pm (Exception: inclement weather). A late penalty fee is billed in increments of \$5.00 for each five minutes after 6:30pm that your child(ren) remains in our care. If you are unable to pick up your child by the scheduled closing time, please make alternate arrangements and call the center to inform staff of who will be picking up your child. If the parent or emergency contacts cannot be reached and the center has not heard from you by 6:30 P.M. then Child Protective Services (CPS) will be called. Being consistently late is grounds for dismissal from Youth Programs. Please Note: Three (3) occurrences of being late without prior communication, will require administrative review and is grounds for removal from the program.
6. Youth Programs' sites are licensed by the Virginia Department of Education Office of Child Care Health and Safety. For licensing, the minimum Standard for Licensed Child Day Centers requires that each child be up-to-date on immunizations. A physical examination by a licensed physician using the School Entrance Physical Examination form and the immunization record signed by the physician must be provided prior to registration approval. Without these forms on file, our program will receive a violation. For this reason, if you haven't provided us with current information, your child may be removed from the program until such information is submitted.
7. Medication will only be administered with written permission in accordance with licensing standards. Medication must be kept in the original prescription bottle and a medication form must accompany each medication. Please note: Siblings cannot share over the counter medications.
8. The center agrees to notify the parent(s)/guardian(s) whenever the child becomes ill and the parent(s)/guardian(s) will arrange to have the child picked up as soon as possible if requested by the center.
9. I will inform the Center within 24 hours or the next business day after my child or a member of my immediate household develops a communicable disease as defined by the State Board of Health.

10. I give Youth Programs permission to apply sunscreen and/or insect repellent when necessary as deemed by staff members who supply care to my child.
11. In case of an emergency, Youth Programs' staff has my permission to call my family physician or another physician when the family physician or I cannot be reached. The staff is authorized to do first aid or emergency care or take my child to the emergency room of the nearest hospital and its staff has my permission to provide treatment which a physician deems necessary for the well-being of my child.
12. Any child who is unable to respond positively to the program will be dismissed. You will be called to pick up a child who is uncontrollable or uncooperative.
13. I agree on behalf of myself, my child, or our heirs, successors and assigns, to hold harmless and defend Youth Programs, its officers, directors and agents, and the City of Newport News, or representatives associated with Youth Programs from any and all actions, claims, demands, damages, costs, expenses, and all consequential damage arising from or in connection with any illness or injury occurring on a field trip given by Youth Programs or the cost of medical treatment in connection therewith, and I agree to compensate Youth Programs and the City of Newport News or representatives associated with Youth Programs for reasonable attorney's fees and expenses arising therewith. I give my child permission to attend any and all field trips that occur off site that are given by Youth Programs.
14. Throughout the program, there may be activities, events, or media releases that could result in your child being photographed. The Program may use these photographs in promotions for the program, publish them with local articles, or use them to produce center yearbooks or videos. If you would NOT like your child to participate in activities such as these, you must notify your Center Supervisor in writing, and they will ensure that your child is not photographed in the program.
15. I understand that this registration form and all provisions contained herein also serves to cover my child in the event they participate in consolidated or specialty programs held at Brittingham-Midtown Community Center or Denbigh Community Center. These specialty programs close promptly at 6:30 P.M.
16. I have reviewed the 'Youth Programs' Parent Packet and will adhere to all procedures.
17. I have reviewed the "Subsidy Agreement" and will adhere to all policies associated with it, if applicable.
