ILLIEN ROSEWELL

EPK - Artist | Producer | Cultural Architect

Illien Rosewell is a dynamic music producer and creative force whose artistry is deeply rooted in hip-hop culture. Illien has worked alongside respected artists, producers & collaborators such as Dj Khaled, W$G, Benny the butcher ,Eto , Flee Lord , Big Boi ,Ullnevano , Khi Infinite and collaborators, honing his craft in ways that blend tradition with innovation. Beyond the studio, Illien is equally passionate about uplifting his community.

He is the founder of The CookUp: Pass The Aux — a popular producer showcase and beat-set series that has quickly become a cultural hub. This event brings together producers, artists, and creatives from all walks of life, offering a space to connect through sound, share new music, and celebrate the art of production. By curating this platform, Illien has given countless rising producers the chance to be heard and to grow in a supportive, collaborative environment.

Illien brings not just his beats, but his belief in the power of music to unite, inspire, and build bridges across generations.
His story is one of mentorship, community, and creativity.
